

GENESIS BATTLEGREEN RUN EVENT AND SUPPORTIVE LIVING TEAM INFORMATION

Incredibles

Join Team Incredibles for Lexington's 2018 Genesis Battlegreen Run! Do you know someone who's had a stroke, or survived a serious car accident? Did you know that in many cases rehabilitative exercise, health and wellness programs can help people regain physical and cognitive abilities, even years after the event?

Supportive Living provides these programs, and we're offering an incredible opportunity to help brain injury survivors live fuller, more independent lives.

Supportive Living will be one of the beneficiaries of the 2018 Genesis Battlegreen Run to be held on November 4. The event features fun runs and walks for all fitness levels, and offers food, fun, and chance to give back.

Join Team Incredibles and start your own fundraising page by visiting www.crowdrise.com/o/en/campaign/supportive-living, or contact Ruth Crocker at rcrocker@supportivelivinginc.org for more information.
